CATHEDRAL HIGH BELLEVILLE

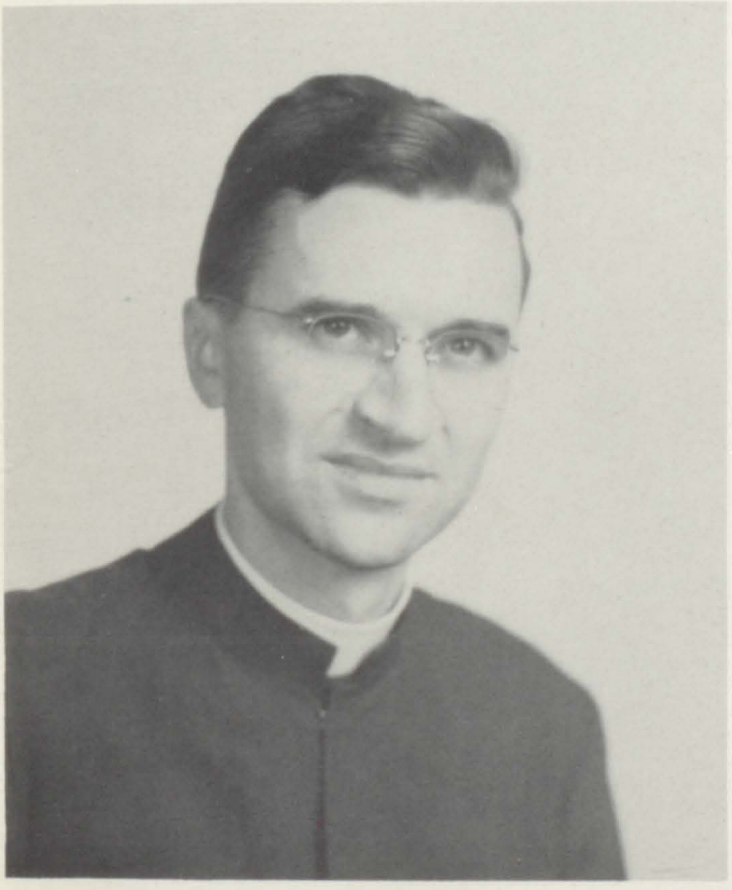

Father Gregory Holtgrave

Brother Michael Brangan

Father Bernard Meyer

In his second year as president of Cathedral High School is the able person of Father Gregory Holtgrave, who is also the administrator of the Cathedral parish. A man of keen understanding and humor, he is well liked by the students of Cathedral High for the active interest he takes in all school activities.

In his three years as dean, Brother Michael has sought constantly to improve our ever-expanding school, trying his best to make it a better place to live and work. After 26 years of service in the Society of Mary, 17 of which have been at Cathedral High School, he has come to have a good understanding of the student's problems and is always ready with a helpful suggestion. His perpetual smile and friendly attitude make him very popular with the students, who respect his sound judgment and gentle yet effective law enforcement.

Father Bernard Meyer fulfills his many duties as School Chaplain, Vice Principal, and moderator of 4-A with praiseworthy fidelity. In his role as advisor to the students, Father brings CHS men closer to God.

THE MEN

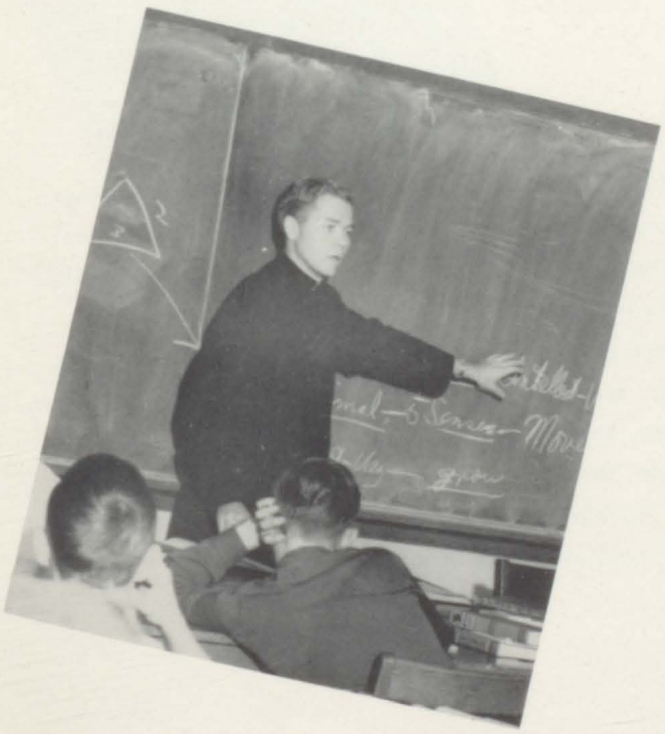

Although CHS is a friendly place directed by friendly people, there is still a strict need for discipline. Among the more famous of these rules is the infamous tardy slip. At sometime in every student's life at CHS he finds himself admitting the bus was three minutes late. The yearbook salutes you, MEN.

WE PREPARE

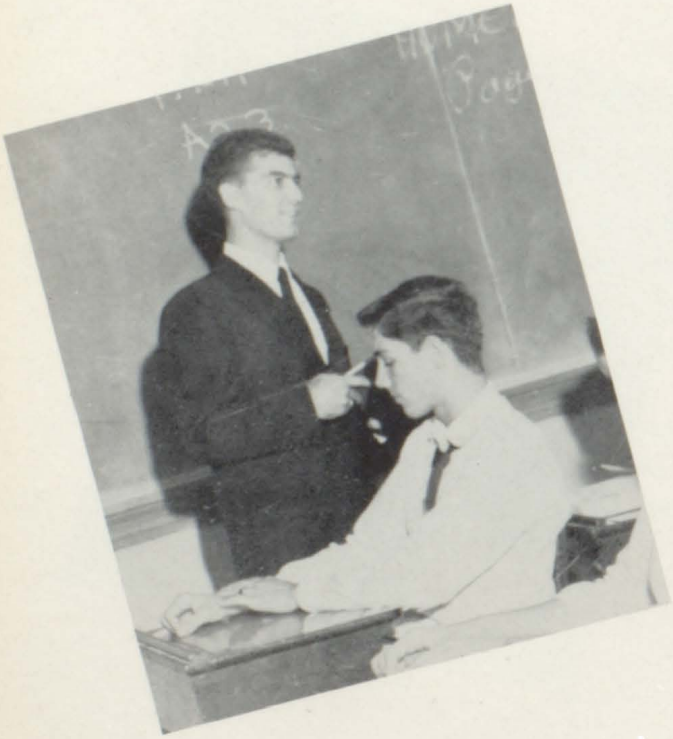

Every student's day begins with Mass at Cathedral. This rare privilege is granted to Crusaders so that they may go to school properly disposed to do the job necessary. The nearness of the church affords every student the opportunity for the quiet meditation so necessary to a Crusader. Pictured above is a typical scene of First Friday; Devout Crusaders praying for success.

RELIGION

Basic in every man's life is the knowledge of his faith. From the earliest school days the Modern Catholic Youth is taught Catechism but as he grows older and matures he begins to wonder about the "Reason" behind it. We are thankful for the skilled guidance of the Brothers of Mary, who *show* us the Reason behind it. We learn early in our days here at C.H.S. of the importance of living in a Christian atmosphere with our fellow men.

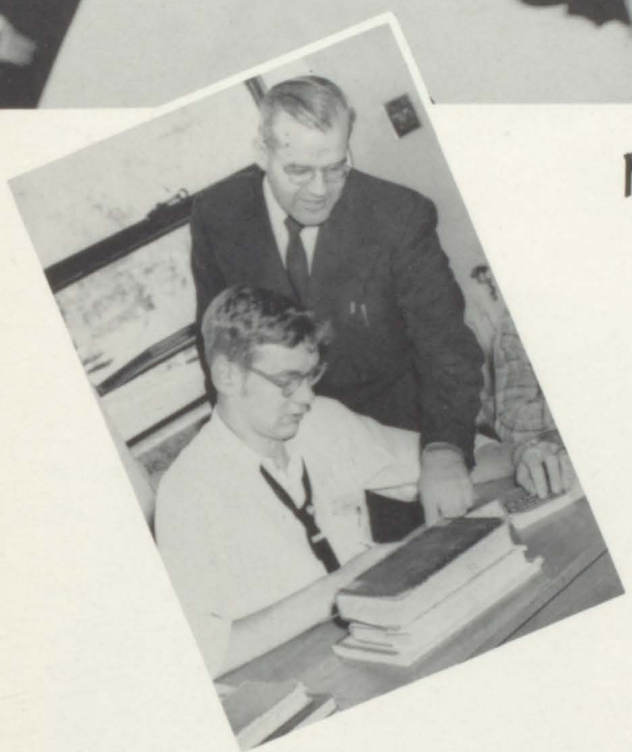

ENGLISH

The English Department, now under the direction of newcomer Brother George Taylor, inaugurated several new programs this year, among them the Friday music appreciation class.

During the four years at C.H.S., students at one time or another take courses in journalism, speech, grammar and literature. The new combined English fee allows the student better material to read and more helpful workbooks than before. Many class newspapers are the result of the new journalism classes.

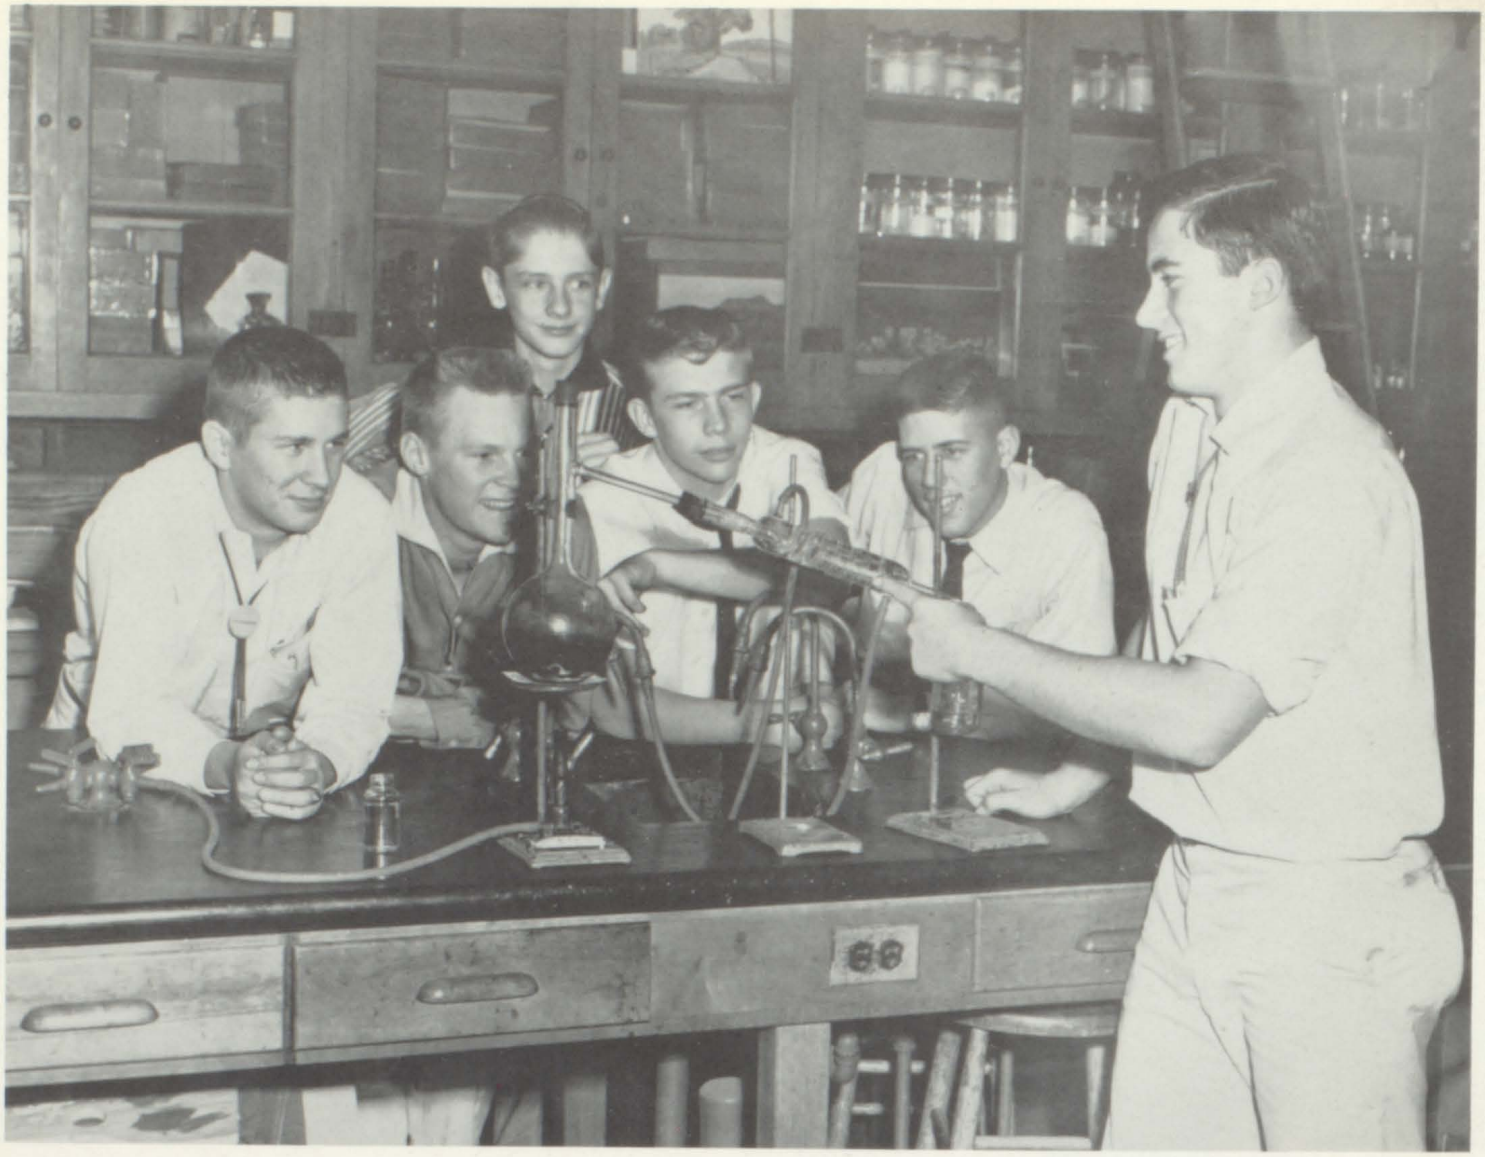

MATH

One of the most important courses taught here at Cathedral High is mathematics. Courses in Algebra I and II, Plane and Solid Geometry, Trigonometry Survey, Bookkeeping, are made available to enterprising students.

Math is essential to advanced professional fields as well as modern everyday life. Mathematics is a most appreciated subject. Although all students do not see the practical value of higher forms of mathematics, they do see that more than anything else math teaches the student to "THIMK!"

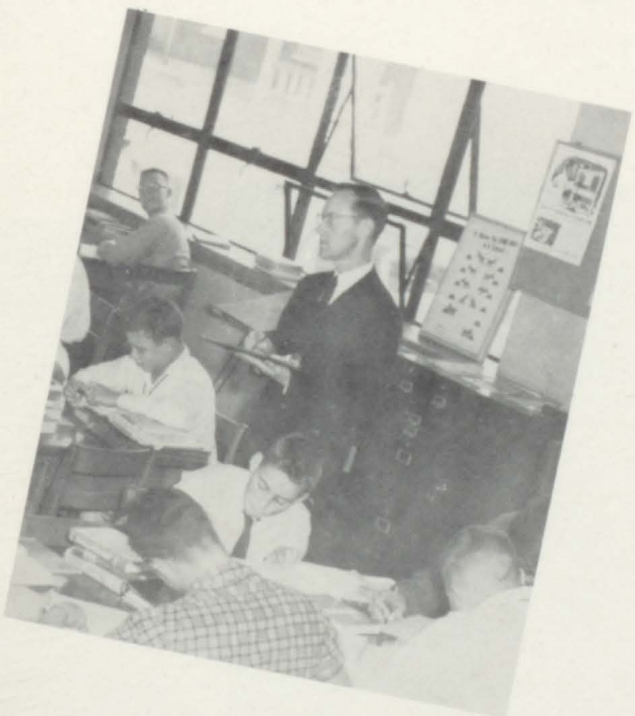

SCIENCE

Interesting enough to intrigue any American youth is the field of science—which includes, at CHS, chemistry, physics, and biology. Along with the material in the text book come interesting periods at the lab tables. Under the careful supervision of competent instructors, students learn of the marvels of science and prepare to take their place in surroundings that are becoming more and more determined by the giant technological strides of science and industry.

STUDY

For the students of Cathedral, one of the more ap preciated periods in the curriculum is the study period. It enables the student to have some time during school in which he can do some of the homework from his courses.

A majority of the students have two study periods, while others taking band, typing, or physical education have one. Most of these periods are held in the library where the students can use the books available for research. The men of Cathedral should be thankful for this privilege which other high school students sometimes do not have.

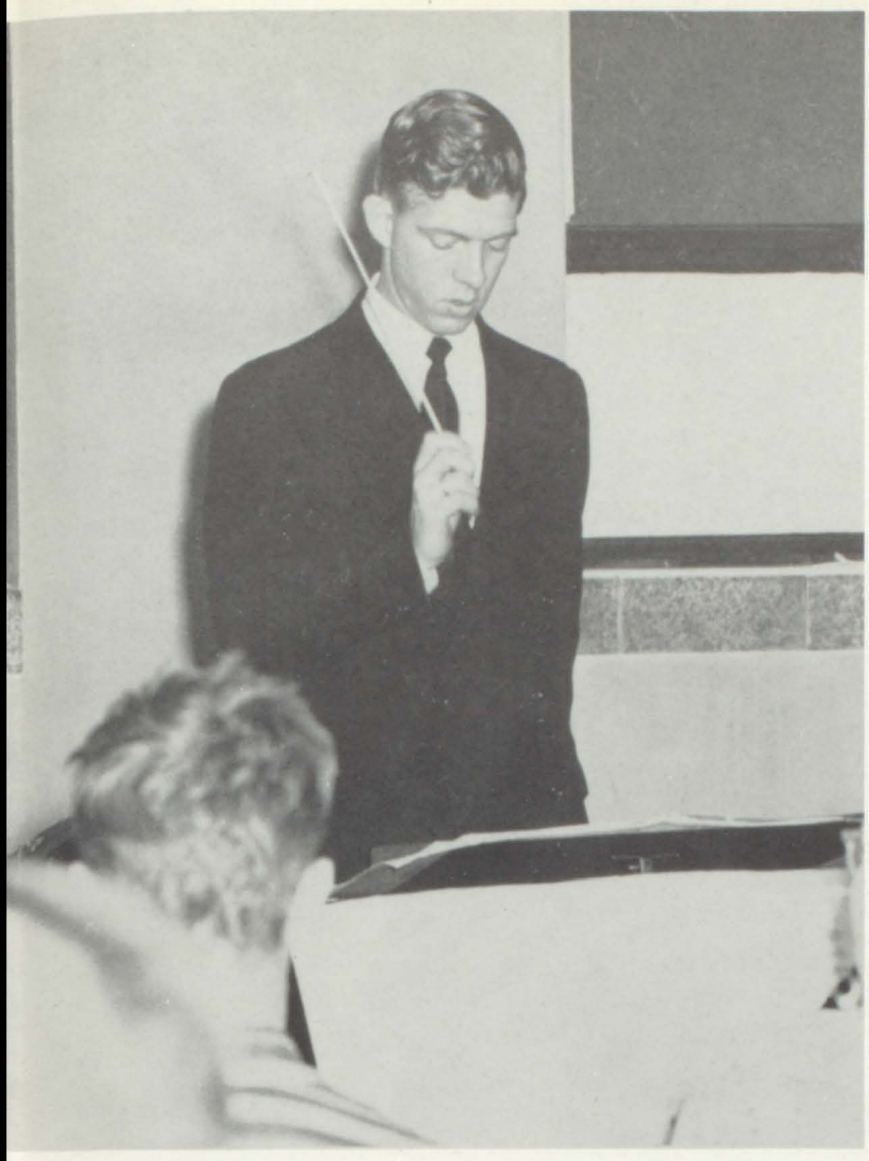

Practice makes perfect!

OUR MARCHING BAND-

Swing it from Virginia . . .

BAND

Under the direction of Brother Glennon Mertens, this year's version of the C.H.S. band has completed another fine year of marching and concerts.

Although this was Brother Mertens' first year of band leading at C.H.S., he introduced many new pieces of music and fine ideas.

Next year the band will be missing the services of graduating veterans George Smith, Dave Fournie, John Carr, Bob Bauer, Chuck Mank, Rich Mank, Tom Kolb, Jack Dollus, Russell Kneipkamp, Roger Schneider, and George Munie.

Exhibiting much patience and zeal, the Brothers of Mary once again proved their ability as teachers and molders of men as they turned out another fine crop of Christian scholars.

The complete and rounded education which the Brothers of Mary possess enables them to present a full and varied curriculum, making a good Catholic education available to any serious student.

Because of the growing complexities of the world, the students of today and of the future will need the most complete education possible, to guide them through their adult life. For the majority, a high school education is no longer adequate. For all, a high school foundation is necessary for a full life, both as a man and as a Christian. The Brothers of Mary have given us this foundation.

ANNUAL

Amid the confusion of late deadlines, missing photos and general mayhem, the "57" Crusader still went to press on time, under the supervision of Editors Schindler and Le Chien. Working under the careful scrutiny of Brother William Nance, the Editors kept busy editing, and the photographers photographing. This year's book boasted more and larger pictures with less annoying copy.

PAPER STAFF

Future and Present Editors

The staff of this year's "Crusader" was headed by Bob Lippert. Bob along with his page editors Bob Schiebel, Wayne Biver, Russ Kniepkamp, and Tom Schlarman have given the school a paper of highest caliber. They have kept the students well informed of all happenings in and around Cathedral. All in all the staff must be commended for a job very well done.

TUTORING BUREAU

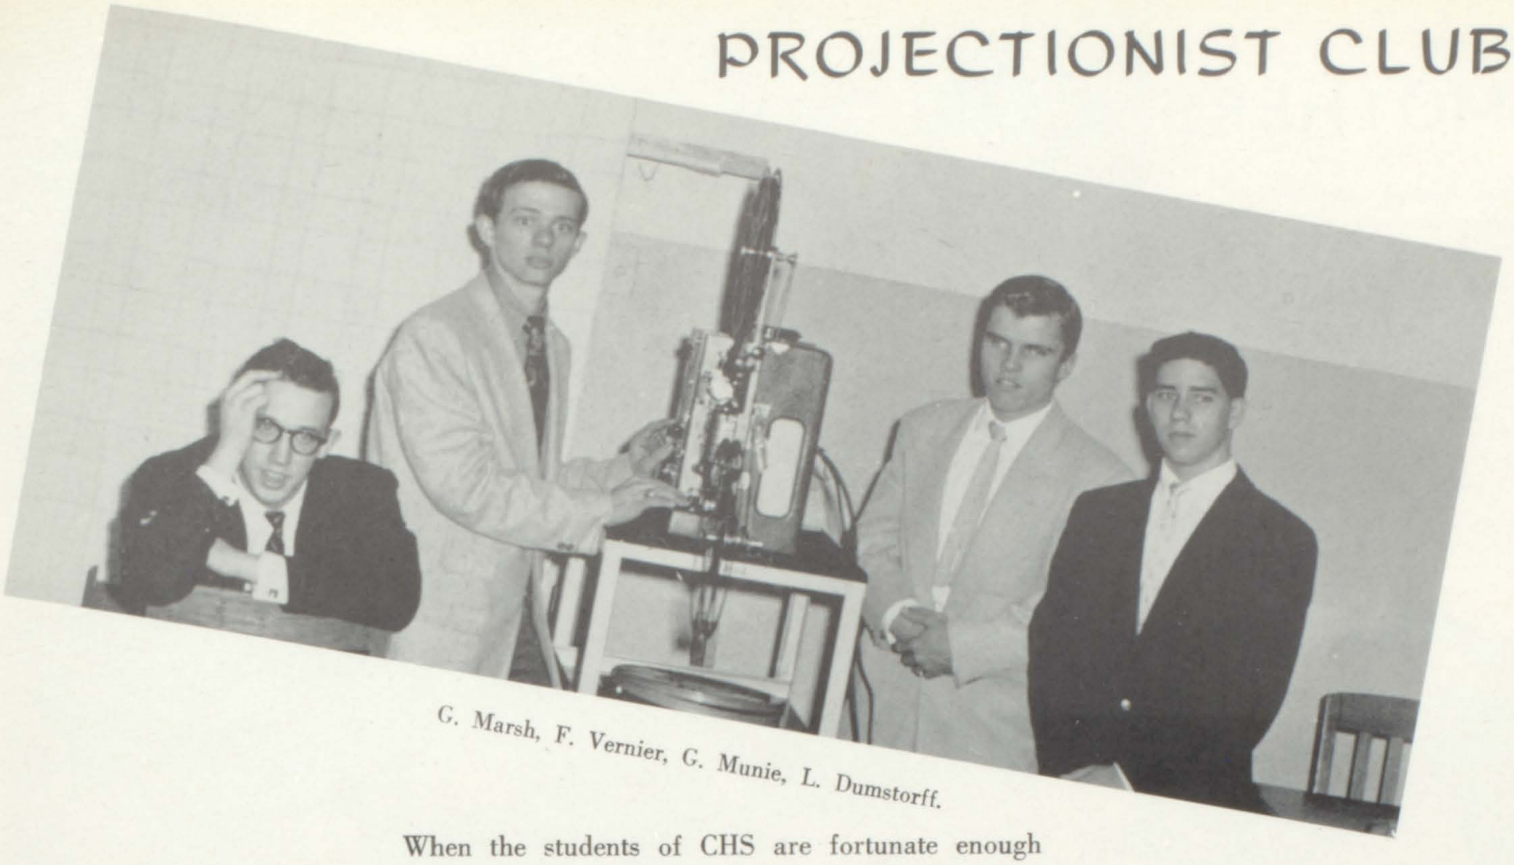

This year's Tutoring Bureau under the direction of Dave Tuerk and with Brother Richard Middleton as moderator again did a fine job of helping students through the more difficult subject matter.

CAMERA CLUB

The yearbook staff also owes every picture in the book to the diligent efforts of the members of the Camera Club. This fine club is headed by Brother Norbert Kramer.

PROJECTIONIST CLUB

When the students of CHS are fortunate enough to have movies they owe a debt of gratitude to the members of the Projectionist Club who do the job of focusing the reels. Brother Richard Middleton heads this organization.

ART CLUB

The Art Club has done a fine job of designing and printing posters and other types of lettering. We of the Annual Staff are grateful for their help in drawing a copy for our cover.

MOTHERS' CLUB

The Cathedral High Mothers' Club once again went into action to aid the school in giving their sons a fine Christian education. The mothers asked questions and received answers about the problems their sons might be having. From these questions and answers the mothers learned how these problems were being corrected by the Brothers of Mary.

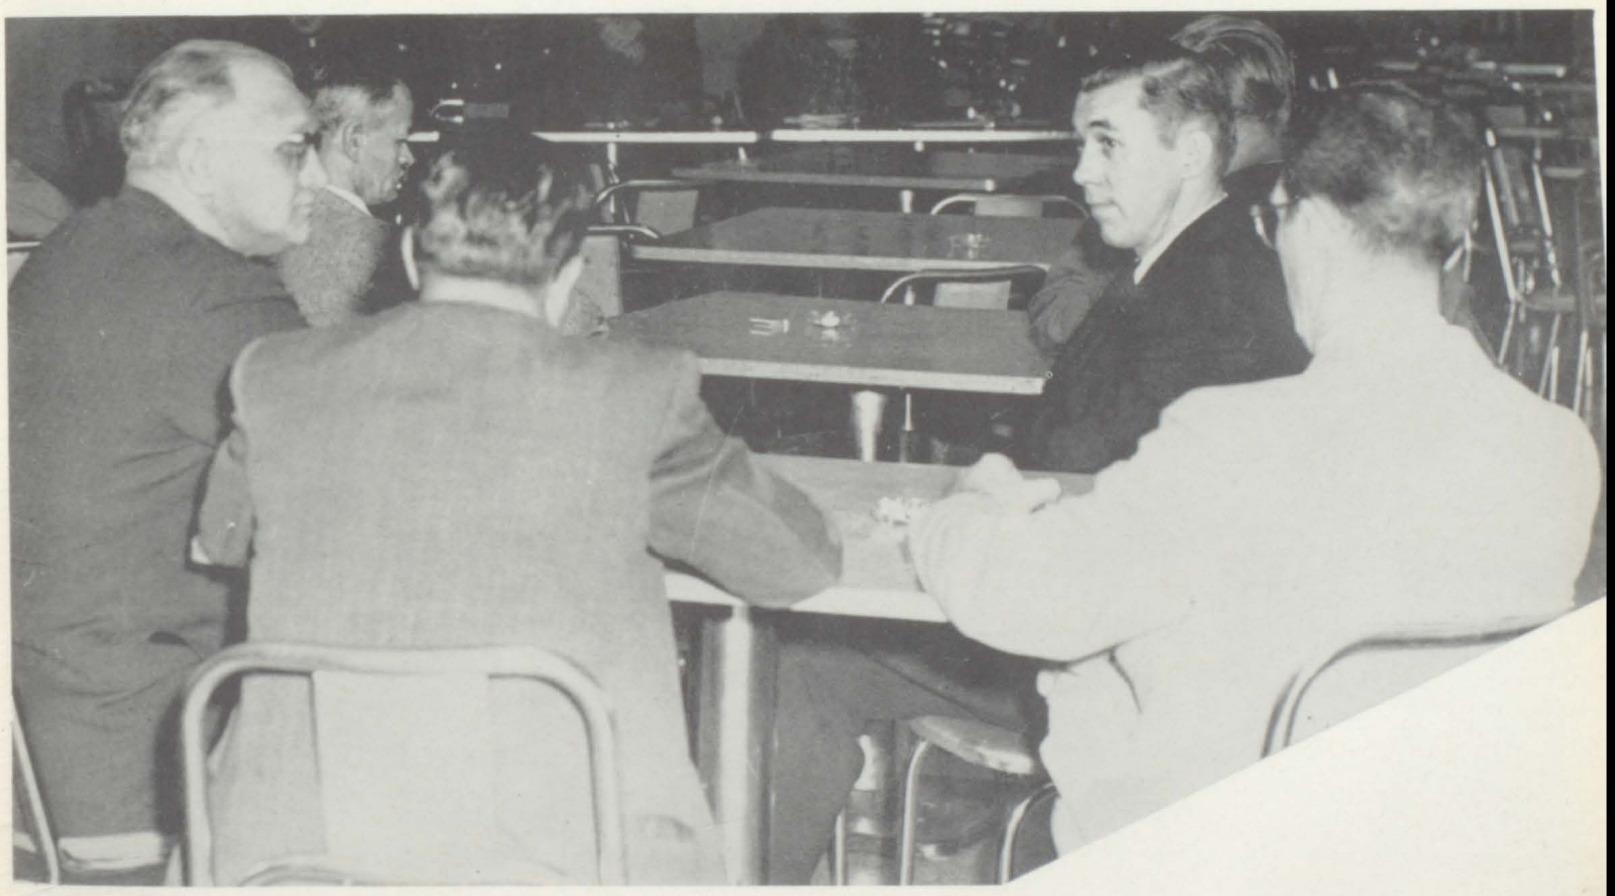

Besides just aiding their sons' education, the Mothers' Club also did such things as obtaining band instruments for the Crusader band and holding a Christmas party, plus helping make the football Dance and other dances a success.

The Fathers, Friends and Alumni Club, this year under the direction of President Les Cole, supplied the school, especially the Athletic Department, with funds to equip the football, basketball, and baseball squads. Perhaps its greatest contribution was the promotion of solidarity between the school administration and the various groups of men interested in the good of Cathedral High.

SODALITY

The Sodality Central Committee under the guidance of Father Bernard Meyer, S.M., led the school in its spiritual activities and took, this year, an increasingly active part in student government. This Central Committee, which comprises the heads of the various Sodality committees, was led by Prefect Jim Buss, and included the following officers: Tom Schlarman, secretary; Bob Lippert, Catholic Action chairman; Bob Scheibel, parish representative; Tom Le Chien, mission chairman; Bob Bauer, Marian chairman; and Chuck Mank, Eucharistic chairman.

Each homeroom held meetings and engaged in various educational and apostolic activities. Reports from the homerooms and committees were given at monthly general assemblies.

CRUSADER OF YEAR

Clifford "*Rock*" Helfrich was chosen Crusader of the Year in '56. Cliff was elected treasurer of the senior class, and also vice-president of the Letterman's Club. He was sports editor of the school paper and also wrote for the annual staff. His name could often be seen on the honor roll.

Cliff was a star quarterback on the football team as well as a standout guard and co-captain of the Catholic League championship squad. While on the diamond Cliff performed at second base.

The title "*Crusader of the Year*" was never more fittingly bestowed than on this fine scholar and athlete.

LEAGUE CHAMPS

Hard-fighting Crusaders came through with a well-deserved victory over a tough Duchesne squad. Spurred by a brilliant third quarter outburst by Chuck Hasenstab, the men finished at the big end of a 68-54 count.

"C" TEAM

The Frosh of Brother John McGillis, although not winning many games, showed a fighting spirit. Brother John gave them valuable help in order that they will strengthen the varsity in the next few years.

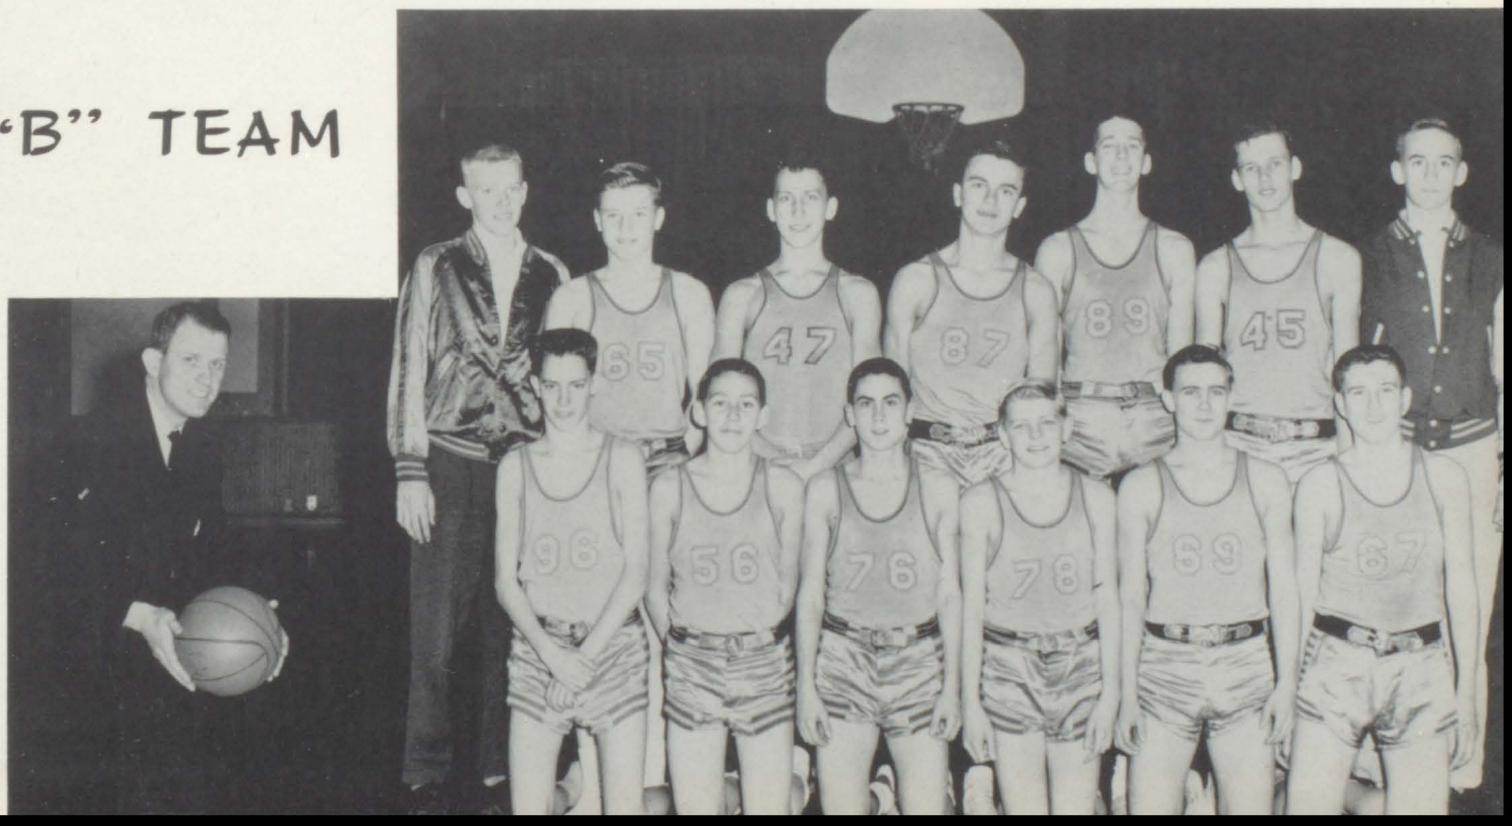

Rich Lugge led the team to a 4-15 record as he potted 140 points. Charlie Ferguson collected 85, and Jerry Weygandt hit for 76 .

Starters throughout most of the season were Paul Flach and Rich Rujawitz, Guards; Dennis Chenault, Center; Rich Lugge and Terry Isselhard, Forwards.

Led by Captain Jerry Koehler, the Crusader "B" team, under the direction of Brother Fred Fuchs, walked away with the Catholic League title for the 3rd straight year. They compiled a seven and one league record, with the only defeat coming at the hands of de Sales by two points.

The leading scorer was Jerry Koehler with 388 points as he led them to a 17 and 8 record. Wayne Reno followed with 229, Dave Hasenstab potted 164, Art Voellinger rimmed 160, and Joe Chura, the fifth starter, bucketed 140.

"B" TEAM

"B" TEAM

This year the B team improved considerably over their record of last year. Brother Fred Fuchs, varsity football coach, did a sterling job of teaching the sophomores the basic fundamentals of basketball as well as good sportmanship on and off the court.

The yearbook staff only hopes that this season will be a start toward many years of success.

"C" TEAM

Under the mentorship of Brother John MacGillis, the freshman squad did not have a very impressive record, but their hard hours of practice throughout the year began to show a spark of promise as they won two out of three of their last games The boys will help to strengthen not only the varsity, but also the B-Team next year.

We, the yearbook staff, congratulate Brother John and his team and we hope that they will continue the domination of the Catholic League that their predecessors have set before them.

BOWLING TEAM

The Cathedral High School Bowling League once again rolled through a successful season of kegling. The officers of the bowling crew were: president, Rog Schneider; vice-president, Rich Remelius; and secretary, Dan Muckensturm.

The fellows who captained the respective teams are: Team No. 1 Rich Remelius, No. 2 Dan Muckensturm, No. 3 Rog Schneider, No. 4 Joe Emke.

High average men were Rog Schneider with a 139 and Dan Muckensturm and Rich Remelius with a 135.

About halfway through the year the top ten Crusader keglers represented their school in the St. Mary's High School Invitational Tournament.

Opening Day Of Practice

This year's baseball team, under the direction of mentor Brother Adrian Janson, has its work cut out.

Minus the booming bat of Marion "Bud" Zipfel, and the sharp pitching of Bill Hartoin, Ray Wenneman, and Don Hildebrand, this year's team faces a battle as they try to equal or better last year's record of 17-8.

This year's team will be strengthened by the return of six lettermen. The lettermen of last year are Bob Scheibel, Rog Mueller, Dan Abegg, Chuck Hasenstab, Jerry Oberndorfer, and Wayne Biver.

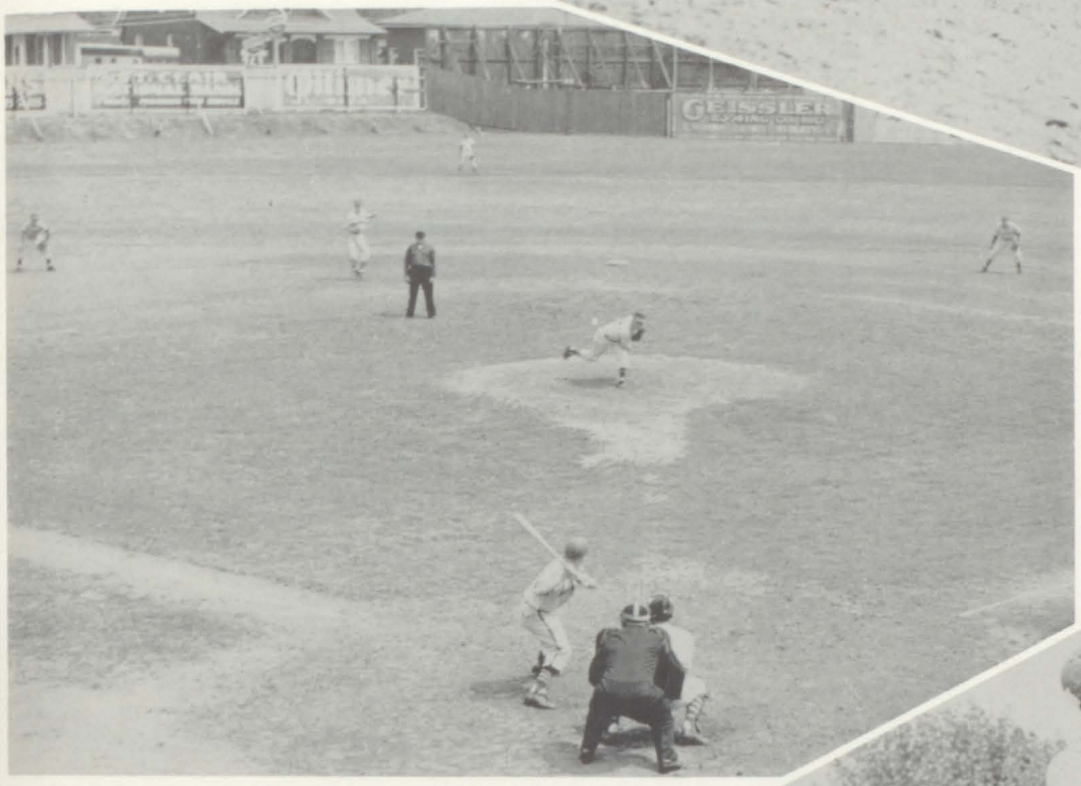

The "B" team stars of last year's team will also aid the Crusaders to another winning season.

JUNIOR A

Brother Glennon Mertens got the members of 3 - A off to a good start in preparation for our next year as seniors. He succeeded in enkindling in us the Crusader spirit. Brother Glennon, besides teaching freshman algebra, survey and senior English, has taken over the chore of directing the school band, and in this his "freshman" year at Cathedral, he has kept the band up to its fine standard. He also did a great job of teaching the fundamentals of football to the freshies.

To run the class democratically we elected Charlie McKeon President, Mike Nelson Vice-President, Mike Chouinard Secretary, and Ed Elmore Treasurer, all of whom did their jobs professionally.

Those of 3 - A who helped make this year's football team one of the best in recent history were Mike Chouinard, Tom Dollus, Ed Elmore, Tom Groesch, Norman Jacob, Charles McKeon, Mike Nelson and Joe Shively.

These officers were: Chuck Hasenstab, prefect; George Marsh, vice-president and Marian chairman; Bill Orlet, secretary; and Jim Schnieder, treasurer and Mission chairman. We of 1-C were very proud to be under the devoted supervision of Brother John MacGillis. Brother John's ebullient personality sparked each of us to high scholastic aims as well as installing in us the traditional CRUSADER spirit.

Serving on Brother John's Freshman Football squad were Walter Diehl, Richard Rujawitz, Dave Hasenstab, Robert Holtman, Ed Juracek, Barry Kastel, Gary Lang, Charles Head, Jerry Weygandt, Gary Schulime, and Fred Schmittling.

Those taking part in the cage sport from 1-C were Anthony Buss, Richard Rujawitz, Mark Bauer, Terry Isselhard, Robert Holtman, David Hasenstab, Rich Lugge, Jerry Weygandt, and Fred Schmittling.

Under the spirited direction of Brother John we won the Subscription Drive with a walloping 186%. 1-C also made the upper-classmen take notice when they organized their own homeroom newspaper, which was called "the Junior Crusader". Gary Schuline and Jerry Weygandt were appointed co-editors of the publication.

In accordance with the time-tested standards, we elected as our class officers David Hasenstab, *President;* Mike Brennan,*Vice-President;* Terry Isselhard, *Secretary;* and Richard Lugge, *Mission Chairman* and *Treasurer.*
